# NHS HOSPITAL CREDENTIAL REQUIREMENTS

Find out more about the  
required DBS certificates  
and vaccinations for  
entering your hospitals.

## Introduction

Welcome to your one-stop-shop for all things ‘credentials’ in the world of MIA. In this document, you will find all the information you require for entry requirements to the hospitals you visit. This document sorts the hospitals in alphabetical order by Trust or local Health Board name. If you are looking for a specific hospital, we advise that you use the Find function (‘Ctrl+F’ on a Windows computer, ‘Cmmd+F’ on Apple).

This document covers NHS Trusts only. Please return to the webpage you have travelled from and click on ‘Private and Independent Hospital Credential Requirements’ to view any independent hospital credentials.

Should you wish to look at a full list of the providers that use MIA, please visit our website on:

## Key

| Denotation | Meaning                                                        |
|------------|----------------------------------------------------------------|
| <b>B</b>   | Basic DBS required                                             |
| <b>S</b>   | Standard DBS required                                          |
| <b>E</b>   | Enhanced DBS required                                          |
| <b>HB</b>  | Hepatitis B inoculation required                               |
| <b>MMR</b> | Measles, Mumps and Rubella inoculation required                |
| <b>CP</b>  | Chickenpox (Varicella Zoster) immunity or inoculation required |
| <b>*</b>   | Additional information – see table toward rear of document.    |

**Please note:** If a Hospital is denoted as having a requirement for vaccinations, this is purely limited to clinical areas. Administrative areas or areas without patients present will not require a vaccination, though if the area you are visiting is in a clinical are (i.e. Offices located within Theatres), you may still be required to have the vaccinations uploaded to your profile for access. Please check if this is the case by attempting to register a visit on the system/via the app. This will tell you about the requirements for individual departments.

Should you need any further information about a hospital, please do feel free to contact our Client Relations Team on 01732 920 900 or [help@miaweb.co.uk](mailto:help@miaweb.co.uk).
