

Important Information for MIA Members Attending Hospital Sites

View Our Top Tips Before Attending a Hospital Site

Before attending a hospital, please ensure that:

- Your MIA membership card is **active** and **up to date**.
- Your visit has been **registered** using your **MIA ID**.
- You have selected the **correct** hospital site.
- You have chosen the correct **department, ward** or **hospital** contact.
- The **reason** for your visit accurately reflects the purpose of your attendance.
- Your visit details are **updated** or **cancelled** if your plans change.
- You meet the credentialing **requirements** for the hospital and department you are visiting.

Accurate visit registrations help hospitals to:

- Manage expected supplier activity.
- Maintain a safe and secure environment.
- Support patient safety and operational efficiency.
- Reduce delays when accessing hospital sites.

Incomplete or inaccurate visit registrations can result in delays or difficulties when attending hospital, so please take a few moments to ensure your details are correct before travelling.
